Docket # 2006-327 W.S.

To Whom It May Concern:

Sometime in May 2006 our septic alarm was activated. We contacted Mark Wriggly of Wyboo Plantation Utilities, Inc. who instructed us to contact Robert James Septic Pumping Service to pump our tanks.

We paid \$150.00 for this service as evidenced by exhibit A attached hereto.

Mr. Wriggly eventually came to our residence and installed a manhole and charged us \$930.00 as evidenced by exhibit B.

We thought it was unusual that Mr. Wriggly had us pay James Septic Tanks for this service, but we did not question either the amount or the recipient of the funds.

Now we learn that this service should have been provided without charge and we are seeking the appropriate action to be taken and a refund provided.

Thank you for your thoughtful consideration.

Very truly yours,

*
Note
400.00 of this was
for installation of
a new water heater

\$ 300.00 was to
re-wire septic pump
Mr. Peagler did not
give me a separate
invoice.
